Dear Mr/Mrs, we are on the edge of change!

**Save the date - it is our pleasure to announce the
11th Baltic Sea Tourism Forum taking place in Rīga,
Latvia from 14 – 15 November, 2018!**

This year the event will be combined with the Latvian Tourism Forum to create a large-scale gathering of tourism professionals and motivational speakers. The particular time is dedicated to the Centenary celebration of the Republic of Latvia.

Focused on the exciting yet challenging times of change in tourism and politics, the forum will address how to be prepared for and these changes in order to make travelling better, smarter and more valuable – for visitors, locals, heritage, and nature. The forum will serve as an international platform to discuss, meet, present and network for valuable scenarios all can use.

The Investment and Development Agency of Latvia and the Ministry of Economics of Latvia will host the joint conference in close cooperation with the Mecklenburg-Vorpommern Tourist Board, Policy Area Tourism of the EU Strategy for the Baltic Sea Region, and Baltic Sea Tourism Center as constant organisers of the Forum.

We will publish information on the upcoming event and its agenda regularly at www.balticseatourism.net. Additionally, the Forum's webpage already provides insights into previous conferences and declarations. **We will send you other important updates to your email closer to the event such as the Centenary programme and the list of the official hotels.**

We are looking forward to meeting you on 14 - 15 November, 2018 in Rīga, Latvia at **Ziemeļblāzma Culture Palace** to celebrate the 11th Baltic Sea Tourism Forum and Latvian Tourism Forum.

Sincerely yours,

The Organisation Team
